

BREASTFEEDING SUPPORT PROGRAM & BREAST-PUMPS

Congratulations!

This is a time of great excitement and change. To support you and your family, MVP Health Care® sponsors a breastfeeding education and support program.

The program offers coaching and support by phone from expert lactation consultants trained to help you. We are here to answer your questions about breastfeeding and to provide you with breastfeeding equipment. This program* is available to all MVP members. To see if you qualify, call MVP's Customer Care Center at the phone number on the back of your Member ID card.

If you qualify and would like to sign up, call Corporate Lactation Services at **1-888-818-5653** or go to **www.corporatelactation.com**. Click on SUBSIDY LOGIN and please enter your company code: MVP2229

* Please check with the MVP Customer Care Center for benefit limitations that may apply.
