What are your goals for living well? MVP Health Care's online wellness tools and activities can help you set, track and succeed at reaching the health improvement goals that are important to you.

- Improve your diet
- Manage stress
- Include more physical activity in your busy life
- Manage your emotional health, or track important aspects of physical health, like your blood sugar
- Quit tobacco

When you register for and log in to MVP's Web site for Price Chopper Teammates at www.mvpselectcare.com/pricechopper, you can:

- **Complete an interactive Personal Health Assessment (PHA)** to get a customized report on your current health status. Read on for access instructions!
- Take online health improvement classes to get you started on the road to better health.
- Track your progress online with quick and easy tools.
- Find information and ideas that will help you take care of yourself, and inspire you to make healthy changes.

Personal Lifestyle Coaching

When you're ready to reach your health improvement goals, call your coach! Price Chopper teammates can work one-on-one with a lifestyle coaching by phone on a regular (weekly) basis!

Coaching programs include:

- Fitness, Nutrition & Weight Management
- Tobacco Cessation
- Stress Management
- Healthy Living (high blood pressure, high cholesterol, pre-diabetes or metabolic syndrome)

You can participate in
52 thirty-minute coaching
sessions each year.

**Call 1-877-748-2746
to schedule a session!**

Working with a lifestyle coach is VERY rewarding!

- Choose a great gift from your coach after completing your third session: a yoga, Pilates or healthy living kit, a six-week supply of nicotine replacement therapy, a wireless scale, wireless blood pressure monitor or a wireless activity monitor that automatically uploads your workout information to the Web!

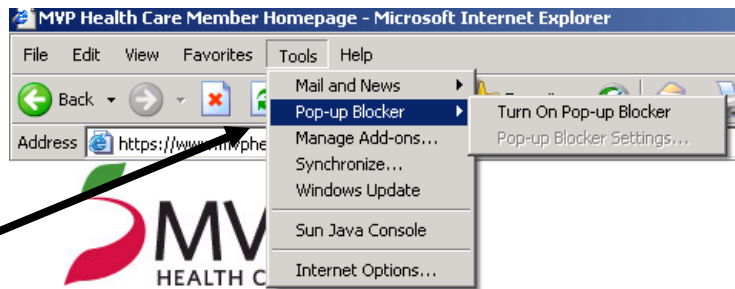

Follow these steps to log in at www.mvpselectcare.com/pricechopper, then go to the Personal Health Assessment (PHA) and other online wellness tools and activities!
